LETTER OF RECOMMENDATION

Widespheres Software Company is pleased to recommend **Ghazal Mohammad**, who successfully completed a **three-month internship** in **Mobile Application Development using Flutter**, from **June 2, 2026, to September 2, 2026**, achieving an overall performance rating of **Very Good**.

During her internship, Ghazal demonstrated strong learning capabilities, technical understanding, and commitment to her responsibilities. She showed the ability to apply development concepts in practice, collaborate effectively with team members, and continuously develop her technical and professional skills.

Based on her performance and dedication, Widespheres confidently recommends Ghazal for employment opportunities in Flutter Mobile Application Development. We believe she possesses the qualities and potential to make a positive contribution to a professional development team.

We wish her continued success in her professional career.

Sincerely,

Widespheres Software Company
